Honors

The department provides qualified undergraduate majors with options for participating in the honors program. Students arriving in the 2018–19 academic year or earlier may receive program honors at graduation if they have a final cumulative grade point average (GPA) of at least 3.75 in cinema studies course work. Beginning in 2019–20, incoming students must meet this GPA and, in addition, complete a scholarly or screenwriting project that originates from a cinema studies course and is then expanded in a faculty-led project development seminar. An honors college thesis also fulfills program honors requirements.
