

Master of Accounting

Robin P. Clement, Director

308A Peterson Hall
541-346-3295

The master of accounting is designed for students whose undergraduate major is accounting or the equivalent. The program is constructed so that it can be completed in three terms (one academic year) of full-time study. The curriculum is designed to sharpen written and oral communication, leadership, critical thinking, and analytical skills that are needed to excel in the accounting profession.

Program Requirements

The program requires an undergraduate degree in accounting or the equivalent. Five core accounting courses, two accounting electives, five general business or other graduate electives, and two one-credit seminars titled Developing the Business Professional are required. A four-day orientation in September is also required, and an optional half-day mini-orientation in June is optional.
